## Spring is in the air...

We hope that the winter doldrums didn't take too much out of you and that you are ready to see summer coming around the corner.

We know that you always have a choice with whom you do business. That makes it especially nice to know that you choose us to assist you with your cruise and tour plans. And even more, we can't begin to tell you how much we appreciate the confidence you show in us each time you tell your friends about us. We promise to continue to earn the confidence you place in us.

As always, we thank you for your business and your friendship,

*Jeff, Karen and Josh Gordon
